

Shoplifting

What you pay.

What you lose.

AAFES

Civil Recovery Program

In an effort to reduce shrink and compensate for theft of merchandise, shoplifters will be charged a flat administrative fee of \$200.

The flat fee is only the base amount -- the cost of merchandise damaged or not recovered will be added, and this in no way reflects the penalties that will be imposed if the store wishes to press charges against a shoplifter .

AAFES personnel catch an average of 11,211 shoplifters worldwide each year.

So how much does it cost you for a \$.50 candy bar?

\$200.50 for starters.

Community Service

How much do you value your free time?

Calculate this using the starting wage for a job at AAFES, which is \$7.00 an hour.

50 hours of community service equates to \$350 you could have made during this time.

100 hours of community service: \$700 lost.

150 hours of community service: \$1050 lost.

Loss of AAFES Privileges

Shoplifting results in a
6 Month loss of ALL AAFES privileges, which includes access to:

Post Exchange
Shoppette
Bookmark
Theater
Military Clothing Sales Store
Car Care
Food Court including:
Burger King
Popeye's
Anthony's Pizza
Baskin Robbins
Charley's
Robin Hood
Taco Bell

A second offense will lead to a 12 month loss of privileges.

A third offense-18 months

What Do You Pay?

Add it up!

First Offense
